Ed Place Forgets to Return a Woman's Change

## AND IS CALLED TO ACCOUNT

Taken to Police Headquarters He Finds the Change and Discharges an Overcharge.

Ed Place, a back driver for Hammer-schmitt, came very nearly getting himself into trouble last night by overcharging a passenger and failing to return change for a \$5 bill after he had been given reasonable time to get the bill changed. A sister of Mrs. R. W. Merrill of No. 129 North College avenue arrived on a late train from Seattle and took Place's back for the Merrill residence. He charged the woman \$1, and she gave him a \$5 bill, but he could not change it. He said he would get it changed at the U. B. A. home. He had not returned with the change at midnight, so the matter was reported to the police station. Patrolmen Whitcomb and McDonald were sent out to find Place. They found him in Bowen's restaurant and took him to police headquarters, where he was confronted by Mr. Merrill. Place said he could not get the bill changed at the U. B. A. home, so he came down town. He said he intended to pay over the change in the morning. He settled the matter with Mr. Merrill by returning the change and to save himself from being arrested for overcharging he also returned 50 cents of the \$1 exacted from the woman for riding from the depot. After having been severely called down by Lieutenant Hurley for his careless methods of doing business he was released.

Dr. Brigham on Dog Taxes.

"Why should I pay a dollar and a half tax on my dog when I know a hundred men that do not pay a blamed cent?" demanded Dr. H. C. Brigham yesterday. "If this dog tax is worth collecting, it is worth collecting thoroughly. Not one man in ten, who owns a dog, pays any tax for the animal. There are fully 10,000 dogs in Grand Rapids, and I am told that only 800 licenses have been issued. The tax on 10,000 dogs is something of an item, and is worth going after; but it is wrong for the city to compel one man to pay it unless all are compelled."

## TAX ROLL MADE UP

Equalization Committee Will Submit Taxation Figures

## TO THE SUPERVISORS TODAY

The Figures as Equalized Are Given Below—Justice Bills Were Cut Down.

The committee on equalization will probably have a report to make today and the board of supervisors will adjourn. The report of the committee is nearly completed and the committee is working hard at it.

The committee on rejected taxes, to which was referred the statement of the auditor general of rejected taxes reported the amount of rejected taxes for each township and ward as follows:

Algoma, \$10.10; Byron, \$10.53; Cadillac, \$11.66; Grand Rapids township, \$3.83; Nelson, \$3.33; Oakfield, \$25.38; Plainfield, \$14.02; Solon, \$31.53; Wyaning, \$11.50; first ward, \$61.43; second ward, \$14.05; third ward, \$19.32; fourth ward, \$12.43; fifth ward, \$11.64; sixth ward, \$30.43; seventh ward, \$19.23; eighth ward, \$34.11; ninth ward, \$12.50; tenth ward, \$37.41; total, \$253.64.

The report was made a special order for today and was tabled for that purpose.

The report of the committee on justice and sheriff's bills was adopted. It appeared from the report that Justice Brown's per diem charges were too large and the committee had reduced them. Mr. Leong asked if the reductions in Justice Brown's bills were all of a similar nature. The chairman stated that Justice Brown had charged the same per diem for arranging a person as if he had spent the whole day on a trial.

An old bill of \$54.50 from Justice Westfall was rejected. It was a bill for per diem and was cut for the same reason that Justice Brown's bills were cut. The bill has been before the board for the past two or three years.

The committee on claims reported in favor of paying a bill of St. Mark's hospital for care of a patient. The clerk announced that he had been served with a copy of a declaration as beginning of suit by John Ackerman against Kent county. Referred to the committee having the matter in charge.

Doesn't Like the Criticism.

"I see the papers are filled with talk regarding the illegality of the claims of supervisors who charge for time spent in committee work," said Supervisor Hyde yesterday. "Now the committee that settles with the treasurer has thirty days' work to do to get a report ready. Instead of the committee meeting in December and getting a report ready, we are going to wait until the board meets in January and keep the board in session for a month, while a report is made up. Then perhaps it will be learned that it is cheaper to pay three men for a month than to keep thirty-six men at work for a month."

The testimonials published in behalf of Hood's Sassaaparilla are all honest, straightforward statements, given and signed by the people themselves, and nearly all entirely unolicited.

Mammoth Game Depot.

F. J. Dettenthaler has, without question, the largest game depot in the state. The mammoth double store, located at 117 and 119 Monroe street, while apparently large enough for all purposes in a wholesale and retail fish, oyster and game establishment, even now crowd Mr. Dettenthaler. All readers of THE HERALD are aware of the recent changes and additions Mr. Dettenthaler made in his store, therefore a detailed mention at this time is superfluous. The increased facilities enable Mr. Dettenthaler to handle a larger and more varied stock of goods.
